

**BIO-PROCESSING AND HERBAL DIVISION
MGIRI, Wardha**

**Training Programmes and Other facilities under
Lively Hood Business Incubation Center at MGIRI, Wardha**

The Lively Hood Business Incubation Center has been established with the funding of MSME in 2019-20 and it became functional from 6th February 2021 at Bio –processing and herbal division of Mahatma Gandhi Institute for Rural Industrialization (MGIRI) under the ASPIRE scheme of Ministry of Micro, small and medium enterprises. The basic objective of this LBI is to provide skill based training to the school drop outs and the un-employed youth especially from under privileged and weaker sections of the society. The aim of the center is to provide training of production of various types of food, herbal, panchgavya products and agri-inputs as well as to provide incubation facilities related to large scale production of few products to the potential enterprises at very minimum cost.

Therefore applications are invited from interested candidates for following “**Technical Entrepreneurship Development Training Programmes (TEDP) under LBI**”. The details are as follows.

S.No.	TEDTP	Duration	Training Fees (Rs.)
1.	TEDTP on Soya based products	3 days	1180.00
2.	TEDTP on Masalas	2 days	1180.00
3.	TEDTP on Amla/ Tamrind/ Ambadi/ Palash based products	5 days	1180.00
4.	TEDTP on Herbal products (Vatnashak tail, herbal mehendi, hair oil, hair tonic & Arjun based tea)	5 days	2360.00
5.	TEDTP on Alovera based products	3 days	2360.00
6.	TEDTP on Panchgavya based transparent soap, shampoo & handwash	2 days	1180.00
7.	TEDTP on Panchgavya based general products (floor-cleaner, Dhoopbatti, mosquito repellent coil, face-pack, hair oil, hair conditioner, agarbatti)	3 days	1180.00
8.	TEDTP on Bio-fertilizers & Bio-pesticides	3 days	1180.00

Applications are also invited from potential entrepreneurs to take benefit of incubation facilities under LBI for various purposes such as cold storage of fruits, washing, sorting & grading of fruits, production of different fruit & vegetable processing products like pulp, juices etc. using machineries of LBI center @ of lum-sum amount of Rs. 5000/- per month (including GST) as incubation charges per incubatee (for a maximum period of 3 months). This incubation facility has been planned in the public interest.

Separate forms for training and incubation facilities are given on the website. Interested candidates may download and submit the form online on director.mgiri@gmail.com or krykcp@yahoo.com. The advertisement has been issued with the permission of competent authority.
